

OF THE MAINTENANCE OF MINISTRY STANDARDS:

PART A – INTRODUCTION & PRINCIPLES

PREAMBLE

2026

The purpose of this Title is protective: to safeguard the people of this Church, and all whom this Church serves, by upholding the standards of ministry to which its Bishops, Ministers and Office Bearers are accountable. The provisions of this Preamble and of this Title are to be read consistently with that purpose.

This Church aspires to the highest standards of ministry by its Bishops, Ministers and Office Bearers. The Standards of Ministry set out in Canon I express those aspirations and the obligations to which all who hold office or ministry in this Church are accountable.

This Church also acknowledges the humanity and fallibility of all persons. Not every failure to meet the Standards of Ministry will be of such a character that it calls into question a person's fitness to hold office or to minister. Where a failure does not raise concerns as to fitness to minister, the Church encourages pastoral, restorative and reconciliatory responses in preference to formal disciplinary processes.

The processes under this Title are not intended to elevate minor or pastoral matters into formal disciplinary proceedings. Concerns, disagreements or failings that, even if proven, would not raise questions as to the respondent's fitness to hold office or to minister should ordinarily be addressed pastorally and within the relevant ministry unit, Diocese or Hui Amorangi, rather than through the processes of this Title.

The central question under this Title is whether the conduct complained of, considered in light of its nature, gravity, and any pattern of behaviour, raises concerns as to the respondent's fitness for ongoing ministry. This question informs every stage of the disciplinary process, from the initial assessment of a complaint through to its final determination.

Nothing in this Title diminishes this Church's commitment to the rigorous and independent investigation of all allegations of misconduct. Misconduct, as defined in Canon I, will always be treated as raising concerns as to fitness to minister and will be subject to the full disciplinary processes under this Title.

No person who has experienced harm is required to participate in any reconciliation process or to offer forgiveness. The agency for initiating reconciliation or forgiveness lies always with those who have been harmed.

1. *Survivor focus* 2024 with

below
2024
- In the application of the provisions of this Canon, all parties involved will pay due attention to the needs of survivors so that survivors do not suffer further traumatic impact through the process of their complaint.
2. *Duty to have regard to bishop's role*
- Any body or person on whom functions in connection with the discipline of Ordained Ministers are conferred by this Title D must, when exercising those functions, have due regard to the role of the bishop who, by virtue of office and consecration, has pastoral and disciplinary responsibility.
3. *Who may complain*
- Any person may make a complaint under this Title whether or not that person is the subject of that complaint.
4. *Initial assessment*
- Each complaint will initially be assessed by the Registrar under this Part. 2026
- 4A. On receipt of a complaint the Registrar must first consider whether the conduct complained of, if proven, raises concerns as to the respondent's fitness to hold office or to minister. 2026
- 4B. Where the Registrar determines that the conduct complained of, even if proven, would not raise concerns as to the respondent's fitness to hold office or to minister, the Registrar may decline to receive the complaint and advise the complainant of non-disciplinary avenues available to them, including pastoral resolution within the relevant ministry unit, Diocese or Hui Amorangi or refer the complaint directly to the Licensing Bishop or, in the case of a complaint about a Bishop, the Archbishop, for pastoral resolution outside the processes of this Title. 2026
- 4C. In making a determination under clause 4A the Registrar must have regard to: 2026
- (a) the nature and gravity of the conduct alleged;
 - (b) whether the conduct alleged, if proven, would constitute misconduct as defined in Canon I (in which case the complaint must always proceed under this Title);
 - (c) whether the conduct alleged forms part of a pattern of behaviour;
 - (d) whether any person has suffered or may be at risk of suffering harm; and
 - (e) any other matter the Registrar considers relevant.
- 4D. A complaint alleging conduct which, if proven, would constitute misconduct as defined in Canon I must not be determined under clause 4B and must proceed to assessment under clause 19. 2026

- 4E. Where the Registrar determines that the complaint raises or may raise concerns as to the respondent's fitness to hold office or to minister, the Registrar must proceed to assess the complaint under clause 19. 2026
- 4F. Where the Registrar makes a determination under clause 4B, the Registrar must provide written notice of that determination and brief reasons to the complainant within 14 days. Within 30 days of receipt of that notice the complainant may request the Chair of the Ministry Standards Commission to review the determination. Such review shall be on the papers and shall be completed within 30 days. 2026
- 4G. If on a review under clause 4F the reviewer considers the determination to be plainly wrong, the reviewer may direct that the complaint proceed to assessment under clause 19. A determination under clause 4B that is upheld on review is final. 2026
- 4H. Where the Registrar makes a determination under clause 4B to decline to receive a complaint, the Registrar must notify the Respondent and the Licensing Bishop of the Respondent of the fact of the complaint and the decision to decline to receive it. 2026
5. *Due process and natural justice*
Ministers and Office Bearers subject to any process under this Title D are entitled to due process and natural justice including the right to be advised who has complained and of the nature of the allegations, to have time before responding to any allegations and to be heard in response to allegations. The Respondent has the right to consult and be represented by a lawyer at all stages of the disciplinary process.
6. *This Church as the Informant*
Where matters proceed to a disciplinary tribunal it is this Church that is the Informant, and which will prosecute the complaint.
7. *Informing of progress*
The Complainant in a matter and the Respondent must be kept informed of the procedural progress of any complaint, in a timely and regular manner. 2024
8. *Timeliness and efficiency* 2024
The Church encourages complaints to be made as soon as they reasonably can be. The processes of consideration of the complaint should occur without undue delay or unnecessary expense. 2024
9. *State processes*
Any investigation of any complaint by this Church is not in substitution for any state process and must not interfere with any processes of the State but notwithstanding that a process of the State is underway complaints may be dealt with under this Title D.

Licensing Bishops, Archbishops and the Registrar must bear in mind obligations to advise complainants, if it is appropriate, to take their complaints to other persons, groups or agencies including the Police.

10. *Customs of Tikanga*

The application of "Duties of Clerical Office," and "Pastoral Relationships" (Title D, Canon I, clauses 5 and 18) will take due account of the expectations and customs of each Tikanga within this Church of Ministers within that Tikanga.

The maintenance of "Duties of Clerical Office," and "Pastoral Relationships" (Title D, Canon I, clauses 5 and 18) across the Tikanga will be observed by the application of Title B Canon XX principles between the Tikanga.

All complaints and all processes must be managed by the Ministry Standards Commission and its Registrar in a manner that honours and upholds expectations of culture and tikanga in the local community in which the conduct giving rise to the complaint occurred. Those involved in prosecuting proceedings and in tribunals must have recognised experience with and/or have advice about that culture or tikanga. 2024

11. *Pastoral care*

This Church has a duty to provide appropriate pastoral care and support both to any complainant and the respondent and the Registrar shall satisfy himself or herself that such support has been offered.

12. *Multiple complaints*

No Bishop, Minister or Office Bearer may be subject to this Title D process more than once in connection with the same incident or breach of standards.

13. *Protection*

Church communities need to be protected from damage by Ministers and Office Bearers who fall short of proper standards and also from harm done by unfounded or malicious complaints.

13A. The Registrar, the Chair of the Ministry Standards Commission, any Church Advocate, and any tribunal or Appeal Tribunal constituted under this Title may make use of artificial intelligence tools in the discharge of their functions under this Title, subject to the following conditions: 2026

(a) artificial intelligence tools may be used only for administrative and preparatory purposes including the collation, organisation and summarisation of information, the preparation of preliminary drafts, and the identification and analysis of relevant material; 2026

- (b) artificial intelligence tools must not be used to make or determine any finding, assessment, recommendation, or decision under this Title, all of which remain the sole responsibility of the person or body to whom the relevant function is conferred by this Title; 2026
- (c) any material generated or substantially informed by artificial intelligence tools must be reviewed and approved by the person responsible for the relevant function before it is relied upon, provided to any party, or used in any proceeding; 2026
- (d) where material generated or substantially informed by artificial intelligence tools is relied upon in any proceeding, the party relying on it must disclose that fact to the tribunal or Appeal Tribunal and to the other parties; 2026
- (e) the use of artificial intelligence tools must comply with any applicable privacy legislation and with the confidentiality obligations under this Title, and no information subject to those obligations may be input into any artificial intelligence tool unless the person responsible is satisfied that adequate data security protections are in place; and 2026
- (f) the use of artificial intelligence tools must comply with any guidelines issued by the Ministry Standards Commission under the regulations made pursuant to clause 17. 2026

PART B – DISCIPLINARY PROCESS

- 14. The provisions of this canon shall have effect for the purpose of regulating proceedings against any Bishop, Minister or Office Bearer or former Bishop, Minister or Office Bearer. 2026
- 15. The provisions of Title D Canons I-VI apply to: 2022
 - (a) any complaint received after their commencement on 25 January 2021 regardless of when the conduct complained of occurred; and
 - (b) regardless of whether the conduct complained of took place in New Zealand or outside New Zealand.
- 15A. No complaint alleging conduct which does not fall within the definition of misconduct in Canon I may be received where the conduct complained of occurred, or the last instance of it in a course of conduct occurred, more than 12 months before the date on which the complaint is made, unless the Registrar is satisfied that the delay in making the complaint was occasioned by exceptional circumstances. 2026
- 15B. Clause 15A does not apply to any complaint alleging misconduct as defined in Canon I. There is no limitation period for complaints of misconduct. 2026
- 15C. The question of whether a complaint is within the limitation period in clause 15A may be assessed by the Registrar as part of a determination under clause 4A or as part of an assessment under clause 19. 2026

16. No disciplinary proceedings under this Title D may be instituted where a complaint deals with an event or events which have previously been the subject of a complaint which has been determined. 2022
17. The Ministry Standards Commission may prescribe regulations, not inconsistent with this Title D, setting out the detailed process for the receipt of complaints, their investigation and the conduct of disciplinary proceedings covering matters such as:
- (a) the form of complaints;
 - (b) where complaints may be lodged;
 - (c) any filing fees to be paid for any application and scales of costs which may be imposed in relation to proceedings;
 - (d) what supporting information, if any, should be provided with a complaint;
 - (e) the form of notification to respondents;
 - (f) whether disclosure of the complainant's contact details should be made to the respondent; and
 - (g) the steps to be taken prior to a hearing by any tribunal.

PART C – ASSESSMENT OF COMPLAINT

18. Every complaint alleging a breach of the Standards of Ministry received by a Bishop, Minister or Office Bearer must be notified to the Registrar in writing. 2026
- 18A. The Registrar may treat as a complaint, and refer for assessment under this Title, any information coming to the Registrar's attention from any source which, if substantiated, would constitute a breach of the Standards of Ministry, whether or not the information has been received in the form of a complaint by an identified person. Where the Registrar acts under this clause: 2026
- (a) the Registrar is to be treated as the complainant for the purposes of this Title and may exercise all the rights and obligations of a complainant accordingly; 2026
 - (b) the source of the information need not be disclosed to the respondent except to the extent necessary to allow the respondent a fair opportunity to respond to the matters alleged; and 2026
 - (c) the assessment under clause 19, and any subsequent step under this Title, otherwise proceeds in the same manner as if the matter had been notified under clause 18. 2026
19. On receipt of the complaint the Registrar must then conduct an assessment of the complaint and form a view as to:
- (a) whether the conduct complained of, if proven, could constitute unsatisfactory conduct or misconduct;

- (b) whether there is sufficient substance to the complaint to justify proceeding further under this Title D;
 - (c) whether the complainant has a proper interest in making the complaint;
 - (d) whether due to the passage of time and lack of evidence the respondent would be seriously prejudiced from responding to the complaint; and 2022
 - (e) whether the event or events have already been complained of and the complaint has been resolved so that clause 16 applies.
- 20. Where the complaint is against an Ordained Minister then the complaint must be automatically dismissed where the complaint alleges the Ordained Minister:
 - (a) conducted a service of blessing which has been authorised pursuant to Title G Canon XIV clause 8;
 - (b) refused to conduct a service of blessing which has been authorised pursuant to Title G Canon XIV clause 8; or
 - (c) preached or taught that such services are, or are not, consistent with Holy Scripture and the doctrine of this Church.
- 21. Where the complaint is against a Bishop then the complaint must be automatically dismissed where the complaint alleges the Bishop:
 - (a) authorised a service pursuant to Title G Canon XIV clause 8;
 - (b) refused to authorise a service pursuant to Title G Canon XIV clause 8; or
 - (c) preached or taught that such services are, or are not, consistent with Holy Scripture and the doctrine of this Church.
- 22. In assessing the complaint the Registrar may make such further enquiries of the complainant or respondent as the Registrar considers fit. 2022
- 23. Having assessed the complaint the Registrar shall within 30 days of receipt of a complaint, or such further period of time the Registrar considers justified in the circumstances of the case, provide a written report to the Licensing Bishop or, in the case of a complaint about a Bishop, the Archbishop, setting out the Registrar's assessment of the complaint and the recommended course of action.
- 24. In any written report under clause 23 the Registrar shall:
 - (a) if the behaviour complained of, if proven, would constitute unsatisfactory conduct and none of clause 19(b) to (e) apply recommend that the Licensing Bishop or, in the case of a Bishop, the Archbishop resolve the complaint;

- (b) if the behaviour complained of, if proven, would constitute misconduct and none of clause 19(b) to (e) apply recommend that disciplinary proceedings be instituted;
 - (c) if it is found the complainant has no proper interest in making the complaint recommend it be dismissed;
 - (d) if it is found that due to the passage of time and lack of evidence the respondent would be seriously prejudiced from responding to the complaint recommend it be dismissed; 2022
 - (e) if it is found the conduct has already been complained of and the complaint has been resolved recommend it be dismissed;
 - (f) if there is insufficient substance to the complaint to justify proceeding further under this Title D recommend it be dismissed; or
 - (g) if the Registrar considers on reasonable grounds that the complaint is vexatious recommend that it be dismissed.
25. The Licensing Bishop or, in the case of a Bishop, the Archbishop must follow the course of action recommended by the Registrar in any written report under clause 23 after the process at clauses 27 to 30 are completed at which point formal notice of the decision must be provided in writing to the complainant and respondent.
26. At the same time as the complaint is received or as soon as practicable thereafter, both the complainant and respondent shall be provided with the name of a person to be available to each of them for their pastoral support, chosen by the Registrar from the list of persons available to act as chaplains in that capacity. 2022
27. Where the Registrar recommends a complaint be dismissed the Registrar shall provide notice of that recommendation and a copy of the written report under clause 23 to the complainant and to the respondent. 2024
28. Within 30 days of receipt of a notice of recommendation and a copy of the written report under clause 23 the complainant or the respondent may ask the Chair of the Ministry Standards Commission to review the recommendation. Such review shall be on the papers and shall not require an in-person hearing. The review may be undertaken by one or more people delegated the power to do so by the Ministry Standards Commission, and shall be completed within 30 days. 2024 2022
29. If on a review under clause 28 the reviewer(s) considers the dismissal to be plainly wrong, then he or she may: 2022
- (a) reverse the decision and direct the complaint proceed in accordance with clause 24(a) or (b) (as appropriate); or
 - (b) remit the matter back to the Registrar for reconsideration.

30. Where a complaint is remitted to the Registrar for reconsideration and the Registrar recommends dismissal of the complaint following that reconsideration then clauses 28 and 29 of this canon will not apply.
31. Where the Registrar proposes to extend the 30-day period in clause 23 he or she shall inform the complainant and the respondent of the fact of extension and the anticipated new timeframe for providing the written report. 2024
32. The Registrar may delegate any investigation work undertaken under this section to such person as he or she may designate.

PART D – FURTHER HANDLING OF COMPLAINTS OF UNSATISFACTORY CONDUCT

33. Where the Registrar considers the complaint to be one of unsatisfactory conduct then the further handling of the complaint will be solely at the discretion of the Licensing Bishop or, in the case of a Bishop, the Archbishop, and an acknowledgement of the outcome is to be conveyed to the Registrar within one month of the date of the resolution. The outcome shall not prevent the issuing of a 'safe to receive' letter although the fact of the complaint and its resolution may be noted. 2024
34. The courses of conduct available to the Licensing Bishop or, in the case of a Bishop, the Archbishop include:
 - (a) a process of reconciliation carried out in accordance with the principles of the relevant Tikanga;
 - (b) a full investigation into the complaint, following inquiry principles, after which the Licensing Bishop or, in the case of a Bishop, the Archbishop may admonish the respondent; and/or
 - (c) requiring the respondent to undertake further training or counselling.
35. In deciding which step to undertake under clause 34 the Licensing Bishop or, in the case of a Bishop, the Archbishop shall have regard to the principle of reconciliation and forgiveness.

PART E – FURTHER HANDLING OF COMPLAINTS OF MISCONDUCT

36. Where the Registrar considers the complaint to be one of misconduct and recommends disciplinary proceedings be instituted then the provisions of this Part shall apply.

- (a) the Registrar will appoint a Church Advocate responsible for conducting the case on behalf of this Church from the list maintained by the Ministry Standards Commission;
 - (b) the Provincial Chancellor, having consulted the Licensing Bishop and the Registrar, or in the case of a complaint against the Bishop, the Archbishop and the Registrar, shall appoint a tribunal, in accordance with clause 56, to hear the complaint, and the Provincial Chancellor shall nominate one of its members as chairperson of that tribunal; 2026
 - (c) the Church Advocate will then prepare, in accordance with any regulations prescribed by the Ministry Standards Commission, a formal document (Complaint) setting out the conduct alleged, the date and place of the conduct where that is possible, and the particular breaches of canonical obligations alleged;
 - (d) the respondent is then to file, in accordance with any regulations prescribed by the Ministry Standards Commission, a formal document (Response) setting out the response to the Points of Complaint which may include the admission of all or part of it.
38. The costs of the Church Advocate, if any, will be met by the Ministry Standards Commission.
39. The Church Advocate may engage such other persons as he or she thinks fit to ensure the proper and efficient conduct of the complaint on behalf of this Church and the complainant.
40. As the complainant is not a party the Church Advocate must regularly communicate with the complainant as to the progress of the tribunal proceeding.

Immediate Suspension on recommendation of the Registrar

41. If, on receipt of a complaint the Registrar considers, on reasonable grounds, that a complaint is one that, if proven, would constitute misconduct and the continuation in office of the respondent could expose others to a risk of harm then:
- (a) the Registrar may, having first provided twenty four hours' notice to the respondent and invited submissions, but without having provided a written report under clause 23, recommend to the Licensing Bishop or, in the case of a Bishop, the Archbishop the suspension of the respondent from office and/or ministry which recommendation must be followed by the Licensing Bishop or, in the case of a Bishop, the Archbishop with immediate effect;
 - (b) the Registrar must then proceed to prepare the written report required under clause 23; and
 - (c) the Registrar shall appoint a Church Advocate for the proceeding.

- 41A. At any time after the Registrar has determined under clause 19 that a complaint should proceed to a disciplinary tribunal, and before a tribunal is constituted and able to consider an application under clause 43, the Licensing Bishop or, in the case of a Bishop, the Archbishop may, on the recommendation of the Registrar or the Church Advocate or on his or her own initiative, suspend the respondent from office and/or ministry, if satisfied that: 2026
- (a) there is a case to be answered by the respondent; and 2026
 - (b) there is an appreciable risk that continuation in office and/or ministry would expose others to a risk of harm or would adversely affect the Ministry of this Church. 2026
- The following further provisions apply to a suspension under this clause:
- (c) the respondent shall be given notice and a reasonable opportunity to make submissions before any suspension is imposed, save where the Licensing Bishop or, in the case of a Bishop, the Archbishop is satisfied that the urgency of the risk requires immediate action, in which case submissions shall be invited within 48 hours and the suspension reviewed in light of them; 2026
 - (d) clause 48 (preservation of stipend and emoluments) applies to any suspension under this clause; and 2026
 - (e) a suspension under this clause continues in force until lifted by the Licensing Bishop or, in the case of a Bishop, the Archbishop, or until the tribunal, on application made under clause 43, otherwise determines. 2026
42. If a respondent is suspended from office and/or ministry under either clause 41 or clause 41A then the respondent may immediately apply for the institution of disciplinary proceedings in which case: 2026
- (a) the provisions of this canon relating to the establishment of a tribunal shall be immediately followed; and
 - (b) the respondent may make an application to the tribunal for the suspension to be lifted;
 - (c) notice of any such application shall be given to the Church Advocate; and
 - (d) the tribunal shall not recommend to the Licensing Bishop or, in the case of a Bishop, the Archbishop that the suspension should be lifted unless the tribunal is satisfied that:
 - (i) there is no case to be answered by the respondent; and
 - (ii) there is no appreciable risk that continuation in office and/or ministry could expose others to the risk of harm or could adversely affect the public reputation of this Church;

- (e) the Licensing Bishop or, in the case of a Bishop, the Archbishop shall follow the recommendation of the tribunal relating to the lifting of suspension.

Application for suspension

- 43. On the institution of a disciplinary proceeding the Church Advocate may apply to the tribunal for the respondent to be suspended from office and/or ministry pending a final determination.
- 44. Notice of any such application must be given to the respondent.
- 45. The tribunal must recommend suspension to the Licensing Bishop or, in the case of a Bishop, the Archbishop if satisfied that:
 - (a) there is a case to be answered by the respondent; and
 - (b) there is an appreciable risk that continuation in office and/or ministry would expose others to the risk of harm or would adversely affect the Ministry of this Church.
- 46. The tribunal may recommend any conditions to be attached to the suspension from office and/or ministry of the respondent and may also recommend the continuation of the respondent in office and/or ministry on certain conditions.
- 47. The Licensing Bishop or, in the case of a Bishop, the Archbishop must follow the recommendation of the tribunal relating to suspension.
- 48. During such suspension the Minister will not be deprived of any stipend or emoluments associated with the Minister's office.
- 49. Any determination and recommendation of the tribunal to suspend a Minister or Office Bearer may be appealed under Part F of this canon.

Application for a permanent stay of a disciplinary proceeding

- 50. On the institution of a disciplinary proceeding, the respondent may apply to a tribunal for an order that the disciplinary proceeding be determined by way of an order that it be permanently stayed.
- 51. Notice of such an application must be given to the Church Advocate.
- 52. The tribunal may only determine the application having heard from both parties.
- 53. The tribunal must recommend determination of the disciplinary proceeding by way of a permanent stay to the Licensing Bishop or, in the case of a Bishop, the Archbishop if satisfied that:
 - (a) there was an inexcusable delay in the institution of the disciplinary proceeding; and
 - (b) such delay means that the respondent will not be assured of a fair hearing.

54. The Licensing Bishop or, in the case of a Bishop, the Archbishop must follow the recommendation of the tribunal relating to a permanent stay of the disciplinary proceeding. 2022
55. Any determination and recommendation of the tribunal to determine a disciplinary proceeding by way of an order that it be permanently stayed may be appealed under Part F of this Canon. 2022

 - (g) if the tribunal is unable to agree on any matter being considered by it, then the chair of the tribunal shall have a casting vote. 2024
59. The costs of any tribunal constituted under this Part will be met by the Ministry Standards Commission subject to any regulations relating to filing fees and cost orders made by the Ministry Standards Commission.
- Outcomes where misconduct is found*
60. Where a tribunal determines there has been misconduct then the tribunal may not proceed to recommending an outcome without having first sought submissions from the Licensing Bishop or, in the case of a Bishop, the Archbishop on an outcome, having provided the opportunity for any party to make submissions as to the outcome and having provided the opportunity to the complainant to provide information on the effect of the misconduct on him or her.
61. Where the tribunal determines there has been misconduct then the tribunal may recommend to the Licensing Bishop or, in the case of a Bishop, the Archbishop one of the following outcomes having considered prior authorities and also tikanga considerations:
- (a) admonition – which will be delivered by the Licensing Bishop or, in the case of a Bishop, the Archbishop and may be in the form of a formal written order or injunction which for an Ordained Minister must be entered in the record of that Ordained Minister and may be delivered in public or in private as the Licensing Bishop or, in the case of a Bishop, the Archbishop may determine;

 - (b) cause undue hardship to the complainant, or any person connected with him or her or them or with the respondent; or
 - (c) create a real risk of prejudice to any other civil or criminal proceeding then underway; or
